

# I would like to volunteer for Kidney Research UK!

To help us meet your interests, we have grouped volunteering opportunities into a convenient list. Please tick any activities you are interested in participating in. When we receive your preferences one of our area fundraising managers will be in touch:

- Selling our lottery tickets to friends and family
- Taking part in one of our exciting fundraising events – walks, marathons, abseils
- Helping to run one of our major events
- Placing charity cash boxes in local shops, pubs etc, or helping at one of our collections
- Holding your own fundraising event – for example, a coffee morning, a garden party, craft sale, Bridge tournament
- Persuading local businesses and community groups to raffle a high quality soft toy using one of a range of eye-catching, professionally printed posters
- Making house to house collections in your neighbourhood
- Working in one of our charity shops

*Thank you for helping us fund research to save lives.*
