

Right now, the lives of over three million people in the UK are under threat from chronic kidney disease. Only with your help can we fund research to save lives.

**Increase the value of your donation at no extra cost to you!**

Don't forget to ask your sponsors to tick the Gift Aid box – this means we will receive at least an extra 25p for every pound raised! *giftaid it*

Every year Kidney Research UK loses thousands of pounds in potential income through sponsor forms being completed incorrectly. We cannot claim gift aid if your sponsors put any other address than their home address. Therefore please ensure your sponsor form is filled in correctly.

**Raise money online**

The easiest way to collect donations and sponsorship for your event is to create an **online fundraising page**. To set up your page, go to: [www.kidneyresearchuk.org/events](http://www.kidneyresearchuk.org/events) and follow the instructions. It takes just five minutes to set up your personalised page. You can then email a link from this page to all your friends and family, taking all the fundraising work out of your hands.

**For all event enquiries call: 08456 12 12 26**

**email: [events@kidneyresearchuk.org](mailto:events@kidneyresearchuk.org)**

**or visit our website at: [www.kidneyresearchuk.org](http://www.kidneyresearchuk.org)**

**Notes**

- 1. Any individual declaration can be cancelled at any time by notifying the charity.
- 2. For your donation to qualify for 'Gift Aid', you must pay an amount of income tax and/or capital gains tax for each tax year (April 6th one year to April 5th the next), that is at least equal to the amount of tax that the charity reclaims on your donation in the tax year.
- 3. Any individual who pays tax at a higher rate can claim further tax relief in their Self-Assessment tax return.
- 4. Anyone who is unsure as to whether a donation qualifies for Gift Aid tax relief should ask their local tax office for a leaflet IR113 Gift Aid.

A proportion of the money raised through this event may cover the cost of the event itself. Kidney Research UK aims to keep its event costs below 40%.

**For office use only**
