Answers for aHUS is a joint fundraising campaign between Kidney Research UK and aHUS UK. The Campaign aims to fund more research into aHUS, to find the answers which will make a difference to those living with this rare disease, now and in the future.

**Raise money online** - The easiest way to collect donations and sponsorship for your event is to create an online fundraising page.

To set up your page, go to: [www.justgiving.com/kidneyresearch](http://www.justgiving.com/kidneyresearch) and follow the instructions. It takes just five minutes to set up your personalised page.

You can then email a link from this page to all your friends and family, making fundraising even easier.

To increase the value of your donation by 25% at no extra cost to you, simply read the Gift Aid declaration on the back of this form & follow the golden rules below.

*giftaid it*

You must provide your full name, home address, postcode & tick the Gift Aid for the charity to claim tax back on your donation.

Please avoid using business or 'care of' addresses as we cannot claim Gift Aid on these.

We, the undersigned, agree to sponsor the entrant, as shown below, to raise funds for Kidney Research UK.
