ACTION FOR ALPORT'S CAMPAIGN

Breaking Through Rare Kidney Disease

Kidney Research UK

The Action for Alports campaign helps to raise awareness and money to fund specific research into Alport Syndrome, ensuring a better future for Alport patients and their families.

Raise money online - The easiest way to collect donations and sponsorship for your event is to create an online fundraising page.

To set up your page, go to: **www.justgiving.com/kidneyresearch** and follow the instructions. It takes just five minutes to set up your personalised page.

You can then email a link from this page to all your friends and family, making fundraising even easier.
