Kidney Research UK at Christmas

Around 6,000 people in the UK are hoping for the ultimate gift this Christmas; a kidney transplant. Help us to raise vital money to continue our research into kidney disease, better treatments and ensuring more kidneys are able to be transplanted.

Christmas cards

Show your support for Kidney Research UK and send our Christmas cards to customers, staff, friends and family. We can organise to print your company’s logo on the cards too. These exclusive card designs can be fully personalised with your details and ordered in batches of 100 to 1000+. You can order your cards by visiting our online shop or calling 0845 070 7601.

Christmas wishes poster

Encourage colleagues and friends to make a donation and leave a festive message on our poster. A great way to wish everyone Happy Christmas.

Give a gift

Does your company spread the Christmas cheer each year with donations to charity? Do you hold Christmas fundraising events? Why not make Kidney Research UK your charity of choice for December, we can provide fundraising materials and donation forms.

The secret Santa hamper raffle

Why not ask everyone to bring in a festive donation for the Christmas hamper - mince-pies, cranberry sauce, chocolates - organise a raffle with the hamper being the star prize and all proceeds going to Kidney Research UK.
