To increase the value of your donation by 25% at no extra cost to you, simply read the Gift Aid declaration on the back of this form & follow the golden rules below.

You must provide your full name, home address, postcode & tick the Gift Aid for the charity to claim tax back on your donation. Please avoid using business or 'care of' addresses as we cannot claim Gift Aid on these.

Right now the lives of over three million people in the UK are under threat from chronic kidney disease. Only with your help can we fund research to provide better treatments and save lives.

If I have ticked the box headed 'Gift Aid ✓', I confirm that I am a UK Income or Capital Gains taxpayer. I have read this statement and want Kidney Research UK to reclaim tax on the donation detailed on this form, given on the date shown. I understand that if I pay less Income Tax / or Capital Gains tax in the current tax year than the amount of Gift Aid claimed on all of my donations it is my responsibility to pay any difference. I understand the charity will reclaim 25p of tax on every £1 that I have given.
